

How to create a YouTube link

1. Launch YouTube app.
2. Sign-in or create an account if you do not have an account.
3. At the bottom of the page, tap on “create” icon.

4. Select “Upload video.”

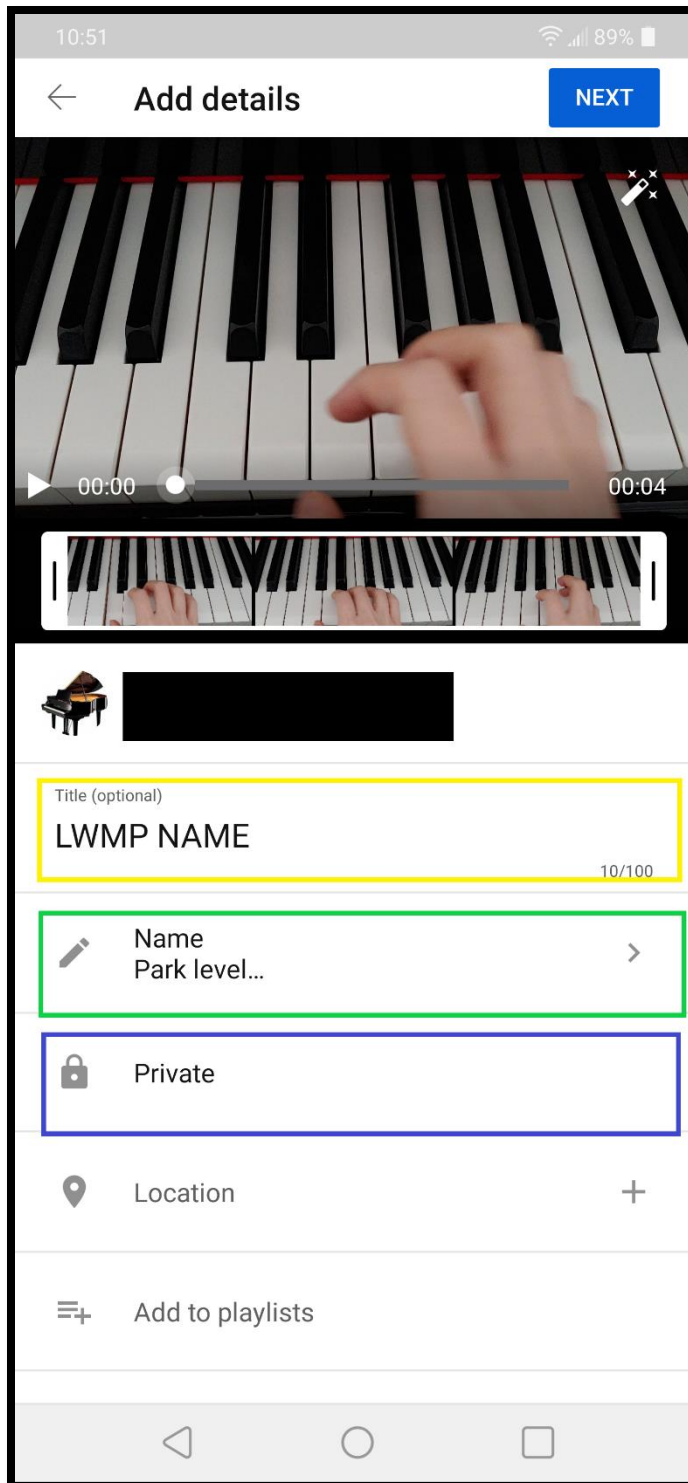

5. Select a video you would like to upload.
6. For Title, follow the format below:

“LWMP NAME LEVEL”

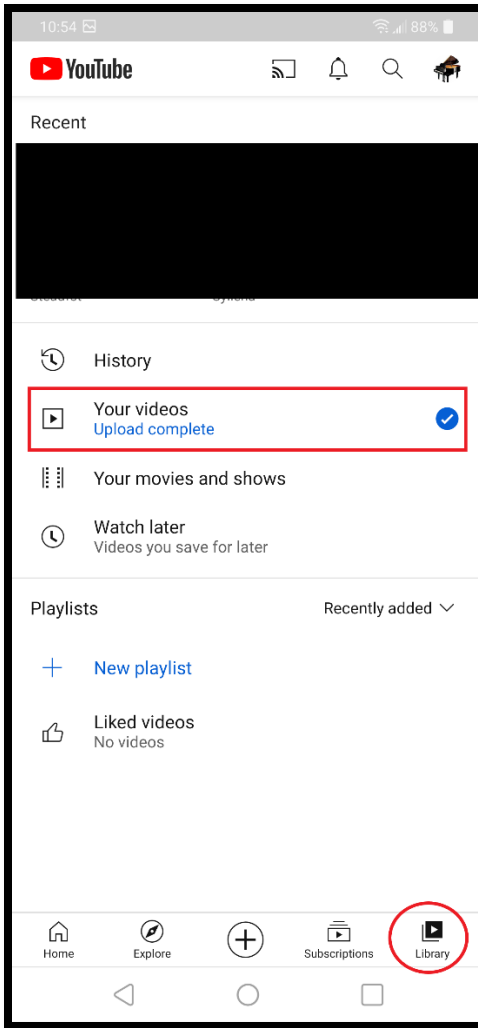

Under description, add the following info:

- Name of Student
- Level
- Title of pieces and composers

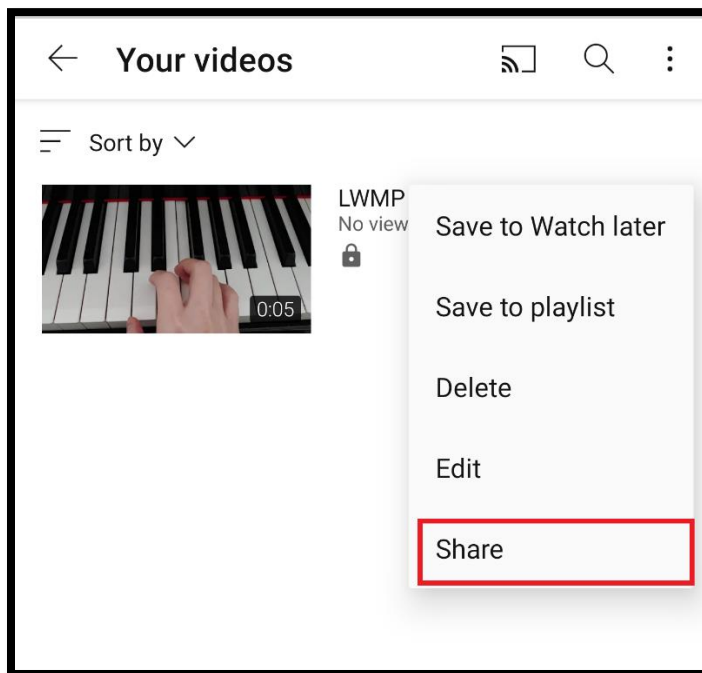

For Privacy setting, select “Unlisted”

7. Click "Next" (top right corner).
8. For Select audience, choose "Yes, it's made for kids."
9. Click "UPLOAD" (top right corner).
10. Once upload is complete, go to "Library," then select "Your videos."

11. Click on “Option” (3 dots) of the video you would like to create a link for, then select “Share.”

12. Select an app (email) you would like to use to share the link with. The link for the video will be pasted automatically.
