Teacher Eligibility

Be sure that you have renewed your MTNA membership before October 15. New members must sign up before January 10.

Register online at wsmta.org by midnight on January 8.

Our Recognition Recital is open to any student that has participated in MAP. The performance is meant to honor and celebrate their achievements.

Our Chapter Representative* for the WSMTA State Conference will be chosen at the Recognition Recital, by a majority vote of the LWMTA teachers in attendance. Each teacher will receive a program that indicates the students who would like to perform during the state conference.

Votes will be tallied by committee and the Representative will be notified the following day.

*The CHAPTER REPRESENTATIVE must have participated in the Music Artistry Program and perform from memory. In order to be considered, students and their parents have two additional forms to submit during the week between adjudications and the recital.
